

Summer Camp Registration Form

About Camp: DBS camp is open to all students ages 5-13 from beginner to advanced! We have several instructors and lots of great horses and ponies to accommodate all students! Each rider will be put into a lesson group based on age and ability so they will be riding with kids their own age and at the same level of riding! We will have many camp councilors that will help with separate group activities to keep campers interested and learning about our equine friends! Activities other than riding include: anatomy of the horse, tack cleaning, arts and crafts for little ones, proper horse show rules & braiding for advanced students, clipping, grooming, bathing a horse, polo wraps, bandages, first aid, care of a horse, and much more!
